Terms & Conditions

Effective Date: April 1, 2026 | Last Updated: April 1, 2026

Plain-English Summary: Nali Nutrition is a nutrition and fitness tracking tool — not a medical service. Nali is an AI assistant, not a doctor, dietitian, or licensed health professional. Always consult a qualified healthcare provider before making changes to your diet, exercise routine, or health plan. By using this app, you agree to these terms.

1. Agreement to Terms

By creating an account, accessing, or using the Nali Nutrition application (the "Service") operated by Worth Fit Training ("we," "us," or "our"), you agree to be bound by these Terms and Conditions ("Terms"). If you do not agree to these Terms, do not use the Service.

We reserve the right to update these Terms at any time. Continued use of the Service after changes are posted constitutes your acceptance of the updated Terms. We will notify users of material changes via email or an in-app notice.

2. Description of Service

Nali Nutrition is a personal nutrition and fitness tracking application that allows users to log food intake, track macronutrients and calories, receive AI-generated meal plans, and interact with an AI coaching assistant named Nali. The Service is provided for informational and general wellness purposes only.

3. Medical Disclaimer — Please Read Carefully

The Service does not provide medical advice, diagnosis, or treatment. All content, including but not limited to meal plans, calorie targets, macro recommendations, AI coaching responses, and any other information generated by or through the Service, is for general informational and educational purposes only and is not a substitute for professional medical advice, diagnosis, or treatment from a licensed physician, registered dietitian, certified nutritionist, or other qualified healthcare provider.

Always seek the advice of a qualified healthcare professional before starting any new diet, nutrition plan, exercise program, or making any changes to your health regimen, particularly if you have or suspect a medical condition, are pregnant, nursing, or taking any medications.

Never disregard professional medical advice or delay seeking it because of something you have read, received, or been told through the Service. If you experience any adverse effects or health concerns, stop using the Service and contact a qualified healthcare provider immediately.

Results from using the Service vary by individual. Worth Fit Training makes no guarantees regarding weight loss, muscle gain, improved health outcomes, athletic performance, or any other fitness or health-related result.

4. AI-Generated Content Disclaimer

The Service incorporates artificial intelligence features, including an AI coaching assistant ("Nali") powered by third-party AI technology. You acknowledge and agree that:

- Nali is not a licensed dietitian, nutritionist, personal trainer, physician, or any other type of healthcare professional.
- AI responses should not be relied upon as professional health or medical advice.
- Calorie and macro estimates provided by the Service are approximations and may not reflect the actual nutritional content of foods.
- You use AI-generated content entirely at your own risk.
